Chaplain
Program Action Plan
2016-2017

It is my honor and pleasure to serve you in the upcoming year as your Department Chaplain. This year as we collectively, recruit, renew, and retrain new membership lets continue this by wrapping each other in love and respect! Let’s embrace our membership by sending out cards for all occasion to our members. Let us remember the birthdays, get well, sympathy, and congratulatory cards all through the year for our members and their families.

Let’s embrace, encourage and ask our members to submit prayers both the Juniors and senior membership: one copy for your unit Presidents Prayer Book, one copy for your Junior’s Prayer Book, and a copy for me so I can make a prayer book for our Department President.

It is especially important that you forward onto me any deceased member notices. We will hold a memorial service for our sisters that were called home during 2016-2017. Please remember to drape your charter when one of your members passes away.

As the Unit Chaplain, you will be conducting prayers at your monthly meeting, and visiting the sick members in the hospitals and nursing homes. We want to continue to embrace and wrap them in love during their stay there. We must always let them know that their service and devotion is valuable, appreciated and that we love them and embrace them because we are family. If they are eligible for 5, 10, 15, etc. year pins, it would be awesome if you and your Unit President could visit and present them with it.

Remember in February we need to host the Four Chaplains Day and Memorial Service. Encourage the membership to be in attendance at this ceremony to participate and honor the unselfish sacrifice of these men of God.

Conclusively, let me assure you I am available to assist you in any way possible. The honor is mine to be of service to you during the upcoming year. Be blessed because Gods wishes our paths lead us into an abundant growth for our membership in 2016-2017.

Food for thought: “Let’s continue to wrap and cherish our membership with love and respect! Women who walks with God will always reach her destination!”

For God and Country,

Dr. Deborah Blanch
