

Special Announcement - ALA Mentorship Program Department of Virginia

TOGETHER. SHAPING THE FUTURE.

I am pleased to announce that beginning this year, our Department has established a Mentorship Program. The Department Mentorship Program is available to all members with a desire to grow their knowledge and service at the Unit, District, or Department level.

The Past Presidents Parley Committee will connect mentors and mentees. Please complete the Mentorship Program Application and return to Sallie Rossman through email, mail, or in person at Fall Conference.

MENTORING BASICS

Mentoring is an invaluable service we offer our new members and successors in the ALA. Mentoring includes teaching, counseling, listening and advising in order to encourage the success of those members who are less experienced in the ways of the Auxiliary.

A mentor is a knowledgeable person who is willing to give her time to explain the policies and procedures of Auxiliary programs, provide encouragement and guidance and is enthusiastic about teaching others. She is patient and understands that a new member or a member taking on a new role may be hesitant and unsure about her role in the Auxiliary.

***Above all, share what you know and be a resource to others.
You could be the reason she renews her membership!***

Sallie Rossman

Past Presidents Parley Chairman

ALA Department of Virginia

With a philosophy of "Service, not Self," the American Legion Auxiliary develops a strong spirit of volunteerism in its membership who have joined together in the fellowship of giving to others. Remember others in need; remember to thank a veteran every day.
