

**AMERICAN LEGION AUXILIARY
VIRGINIA GIRLS STATE
“Celebrating a History of Service”**

ALA Virginia Girls State is being held on the campus of Longwood University from Sunday, June 21 through Saturday, June 27, 2020. This program is for females who have successfully completed their junior year of high school and have one more year remaining to be considered. Selection should be for those who illustrate leadership, character, scholarship, loyalty and service to their school and community. During this weeklong program the participants have the opportunity to learn how their state and local governments work.

Please note the cost of ALA VGS will be going up to \$375.00 per delegate plus transportation cost. Please make sure the girls selected can stay for the whole week. Birth certificates will be required to be submitted with their applications.

Our objectives:

- 1- To ensure all ALAVGS delegates are aware of the mission of the American Legion Auxiliary.
- 2- To actively encourage all eligible ALAVGS citizens to join the American Legion Auxiliary.
- 3- To increase participation by highlighting scholarships to participants of ALAVGS.
- 4- To utilize all social media to increase awareness of ALA Virginia Girls State.
- 5- To stay up to date on the latest news and best practices.

MID-YEAR Reports are due by December 15, 2019, to Chair Margaret Dellinger, PDP.
END OFYEAR Reports are due by April 15, 2020, to this chair.
