Hello everyone,

As we continue to face the issues concerning the COVID-19 pandemic, after receiving word from The American Legion Department of Virginia, I am writing to inform you that the Department Convention is cancelled. As this is an evolving situation, please know that plans are being made in order to elect ALA Department Officers and conduct our business. I will keep you informed as the necessary processes and procedures are determined such that we can continue to move forward in these challenging times.

For God and Country,

Dr. Lisa Chaplin, DNP
American Legion Auxiliary
Department of Virginia
President, 2019-2020
